

## ***CORNELIS MIO***

**Che bella cena al ristorante Flora  
Abbiam passato insieme qualche ora  
A festeggiare Cornelis Van der Mee  
Bravo, che di più bravi non ce n'è.**

**Cornelis caro, Cornelis mio  
A farti un canto ci penso io  
Cornelis, Cornelis mio  
Che qui in Italia t'ho portato io**

**I semigruppi, lo scattering inverso  
Che a noi mortali sembran tempo perso  
A te Cornelis son poi così ben chiari  
Come dei sistemini lineari!**

**Cornelis caro, Cornelis mio  
A farti un canto ci penso io  
Cornelis, Cornelis mio  
Che qui in Italia t'ho portato io**

## ***MY CORNELIS***

**What a fine dinner at Flora Restaurant  
Our time together couldn't be more pleasant  
We celebrated Cornelis Van der Mee  
The best of all, let me tell thus thee**

**Cornelis dear, Cornelis dear  
My song for you, our hearts will cheer  
Cornelis, Cornelis dear  
as far as Italy, I brought you here!**

**Those semigroups and inverse scattering land  
Which we common mortals fail to understand  
To you Cornelis couldn't be more clear  
As if they were just little linear gear**

**Cornelis dear, Cornelis dear  
My song for you, our hearts will cheer  
Cornelis, Cornelis dear  
as far as Italy, I brought you here!**
